

We Welcome Michelin US 8 and US 10 Plants to Upstate Federal Credit Union

Upstate Federal Credit Union is proud to announce the Grand Opening of our Credit Union Office inside the Michelin US 8 Plant in Starr, SC. The US 10 Plant Credit Union Office is currently under construction and will open later this summer.

This is an exciting time for the Credit Union as we now serve the employees of Michelin. Pictured above is the ribbon cutting ceremony for Michelin US 8. The money on the ribbon was given to Christy Dodd, Principal of Flat Rock Elementary School to use for the end of the year student awards.

Pictured above front row from left to right is Matt Cole, (Michelin), Christy Dodd, (Principal of Flat Rock Elementary School), Brittany Smith, (Branch Manager), Debra Madden (Flat Rock Elementary) and Ron Smith, (Michelin).

ATTENTION All Debit Card Holders

Visa Debit Cardholders should be aware that transactions not approved by a PIN (Personal Identification Number) could be processed through a non-Visa network that offers PIN-less service. Those transactions may not be subject to Visa's limited liability provisions. Transactions over the Visa network can be initiated with your signature by providing your card number over the phone or internet, or by swiping your card through a point-of-sale (POS) terminal and choosing to route the transaction over a Visa network.

Dormant Accounts

A membership account (savings) is considered dormant after 12 months of no activity if the balance is less than \$1,000.00. After 5 years of no activity on a dormant account, we are required by law to turn the funds over to the state of South Carolina as abandoned property. To avoid the dormancy status, conduct at least one transaction every 12 months. Fees are not considered activity.
