

Website Privacy Information

Our Online Privacy Practices

Keeping financial and person information secure in one of our most important responsibilities. Upstate Federal Credit Union is committed to protecting the information of our member and other visitors who use our website. We value your trust and handle all personal information with care. As with information we collect through other means, we use the information you provide online to respond to your needs, service your accounts, and provide you with information about other services.

Secure Transmissions

To ensure information remains confidential, Upstate Federal Credit Union uses encryption technology such as Secure Socket Layer (SSL) to protect information you enter and submit from our website.

Cookies

A cookie is a small piece of information that a website stores directly on the computer you are using. Cookies may contain a variety of information from a simple count of how often you visit a website to information which allows customization of a website for you use. Upstate Federal Credit Union uses cookies to gather data about the usage of our website and to ensure that you have access to your account information. Anytime a cookie used, personal information is encrypted for our use only and is protected from third party access (a cookie cannot be read by a website other than the one that sets the cookie).

Linking to Other Sites

To provide you with easy access to information, Upstate Federal Credit Union may provide links to other websites such as government agencies, insurance companies and the Credit Union's other third-party partners. These links are provided as a convenience to our members. We do not guarantee or endorse any of the content in the links, and Upstate Federal Credit Union does not represent either the third party or the member if the two enter into a transaction. The privacy and security policies on these linked websites may differ from those practiced by Upstate Federal Credit Union. We encourage you to read the privacy policies of all websites you visit, especially before providing any personal non-public information.
